

Interventions at St James' Infant and Nursery School

One to One reading time

How it works

Extra one to one reading is given to pupils in school who are identified by the class teacher, SLT etc.

This may include:

- Pupils with a SEND
- Pupils in receipt of Pupil Premium
- Pupils who may have lack of parental support
- Pupils who are struggling in this area
- Pupils who are exceeding in this area

Reading may be provided by STA, teacher or volunteers into school.

Specific reading skills will be addressed in these sessions such as 'sounding out' words, recognising high frequency words, SPaG and reading comprehension.
