

St James' Church of England Infant and Nursery School

9th October 2026

Another busy and exciting week has flown by at St James'! I have been delighted to welcome many children to my office to share work that they are particularly proud of. It is always a pleasure to celebrate their achievements and see the enthusiasm they have for their learning.

This week, it was also wonderful to welcome so many prospective Nursery and Reception families to our school. We were especially pleased to hear how many parents had chosen to visit us based on recommendations and positive word of mouth from our current families. Thank you for your continued support and kind comments. They mean a great deal to us and reinforce the strong sense of community.

This week in Nursery, the children have enjoyed reading *Goldilocks and the Three Bears*. In maths, they have been learning to say number names in order, building on their strong focus on counting skills. The children have also been creating self-portraits, carefully observing and painting their own facial features.

Reception have been exploring the sense of touch as part of their science learning, investigating how we use our hands and skin to learn about the world around us. In maths, the children have been matching quantities to develop their understanding of number. They have also been matching sounds to different types of weather while enjoying the story *Bringing the Rain to Kapiti Plain*, helping to bring the text to life through listening and imagination.

We are so proud of Catbells and Scafell classes who have enjoyed working alongside local artist Alex Jakob Whitworth, creating drawings inspired by *The Calabash Cat* and experimenting with a range of artistic techniques. Skiddaw class will have their opportunity to work with Alex on Monday. Once completed, the children's artwork will be displayed in the main entrance for everyone to enjoy.

Our Year 2 children have also had a fantastic time at Bassenfell Manor Outdoor Centre on the shores of Bassenthwaite Lake. They took part in a variety of exciting activities including tree climbing, sucker archery, orienteering, team-building exercises and problem-solving challenges. The children represented the school brilliantly and, most importantly, had lots of fun!

Next week, we look forward to welcoming families into school for our parent-teacher meetings and Early Years Stay and Play sessions. These opportunities to share your child's progress and learning journey are always greatly valued. Finally, as many of you will be aware, we have experienced an internet outage this week as we transition to a new provider. Thank you for your patience and understanding, particularly as we have been unable to access Tapestry. We are hopeful that the issue will be resolved by Tuesday at the latest and normal service will resume as soon as possible.

Have a wonderful weekend,

Mrs Moore

Parent's Evenings

We are holding our Year 1 and Year 2 Parent's Evenings on 13th and 14th October from 3.30pm-5.30pm. We have a new booking system for you to be able to book a slot to see your class teacher. You should have received an email this week inviting you to set up a password for a Juniper account. Next week you will be able to book your appointment. **Bookings open on Monday 5th October and close on Sunday 11th October**. If you have any problems, please speak to Mrs Brown in the school office. Please bear with us as this is a new system for us too. We can only offer one appointment per child due to time constraints. If this is a problem please see the class teacher. Any duplicate appointments made may be cancelled by the school.

Parents of children in Nursery and Reception will be able to book a Stay and Play session. These will take place on the same days and could you pick a session to attend. This is a great opportunity to see your child in their classroom environment with an opportunity to speak to the teacher whilst you play! Timetables will be put on the classroom door next week for you to pop your name down.

School Photographs

The school photographer will be in school on Wednesday 14th October. All children including Nursery will have their photographs taken. You will be sent a link with the opportunity to buy copies.

If you would like a photograph with siblings not in this school, please come at 8.30am before school starts and we can accommodate this. Children with siblings in school will have their photos taken together as well as individually during the school morning.

If your child is in Nursery but does not normally attend on Wednesdays, you may bring them down for 9am for their photo.

Fancy Dress Disco

We will once again be holding our spooky fancy dress parties this month. They will take place on Thursday 22nd October. Early Years will be 4pm-5pm and Key Stage 1 will be 5pm-6pm. Virtual tickets will be available to buy on SchoolMoney from next week for £4.00. It will be a party of fun and games with hot dogs and drinks for refreshments. Children can be dropped off at their appropriate time and collected afterwards. For those children attending the After School Club, just bring in their costumes and we will ensure they are dressed ready for their party.

Half-Price Theatre Tickets for Families!

We are delighted to be working in partnership with Rosehill Theatre to offer St James' families **half-price tickets** for *Gaby Gulliver's Travels* during the October half-term holiday- Monday 26th October at 2pm. Thanks to this special arrangement, tickets are available for just **£6 per person** instead of the usual **£12**. This exciting family show is **recommended for children aged 5+** and promises a fun-filled adventure for all ages. A limited number of discounted tickets have been reserved for our school, so please book your tickets via **School Money** to secure your places. We hope many of our families will take advantage of this fantastic opportunity to enjoy live theatre at a reduced price!

Young Carers Cumberland

Promoting and improving the health and wellbeing of young carers and their families.

We work with young carers (those aged 18 and under who have caring responsibilities) to help give them individualised support to help them thrive.

We work with each individual, as well as their family, to reduce caring needs where we can and help the young person to have as normal a life as possible – where they have access to the opportunities that others their age have.

Referrals

We welcome referrals from young people, parents and carers as well as professionals.

Visit our website to find out more and access our referral form – scan the QR code.

What is a young carer?

Young carers are children and young people, who help with practical or emotional tasks at home.

This may be because someone in their family has a disability, a long term illness, experiences mental ill health or has a problem linked to alcohol or drugs.

It may be that the young person helps with:

- getting a family member dressed or washed,
- reminding them or, or taking them to appointments,
- taking care of young brothers or sisters or family members,
- help with household tasks, e.g., cooking, cleaning, washing, shopping and paying bills,
- collecting prescriptions or helping the person you look after to take medication...

Every young carer's life looks different but helping to care in such a way often means that they might miss out on other opportunities. They may feel that they don't have enough time for themselves, friendships, homework or out of school activities.

How we help

All young carers that are referred benefit from an assessment to identify what support we can help them with, based on their individual situation.

Support may include a personal support plan (following their Young Carer Needs Assessment), 1:1 support sessions, whole family support, opportunities to meet other young carers, support with school or college, and signposting to other services, information and advice that could be helpful for the individual young person and family.

Who are Family Action?

Family Action is an award-winning national charity that works from the heart of local communities to support people through change, challenge and crisis.

We protect children, support young people and offer direct, practical help to families. It's what we've done for over 150 years.

Parent Carers Cumberland

Promoting and improving the opportunities for parent carers in Cumberland.

family-action.org.uk

Who are Parent Carers Cumberland?

We work with parent carers (a parent or other primary caregiver who provides ongoing, substantial support and care to a child or young person with additional needs) in Cumberland to help them to access the right support at the right time. The child, or children, may have mental health concerns, be ill or disabled. The child may be over 18.

How we help

All parent carers benefit from an assessment to identify what support is needed based on their individual situation.

Support includes:

- a personal Parent Carer assessment – linked to wellbeing principles,
- a bespoke support plan, planning for needs identified,
- further referrals where needed (i.e., to Social Care)
- support to access peer groups in Cumberland
- signposting to other services, information and advice that could be helpful.

We work closely with Parent Carers to ensure their voices – as well as those of their children – are heard.

Are you a Parent Carer?

Parent carers are primary caregivers who care for a child, or children, that requires substantial support and care.

Not all parents are classed as 'parent carers'. Parent carers are those with parental responsibility who provide regular, unpaid care for their child beyond the typical parenting role.

This may be because the child:

- has a disability,
- a long term illness,
- experiences mental ill health, or
- has a problem linked to alcohol or drugs.

The child does not need to be under 18 years of age.

Every parent carer's life looks different, but you may be frustrated and not knowing where to turn as well as feeling increasingly isolated.

If you believe you might be a Parent Carer, you may be able to benefit from our support.

Contact us or click on – or scan – the QR code to visit our website.
We accept self-referrals.
